

## 2.5" and 3.5" SATA dual hard drive docking station, USB 3.2 Gen1

Item No. AC1504

### DESCRIPTION

- Dual Docking station for two 2.5 and 3.5 inch SATA HDDs/SSDs up to 12.5mm thickness
- Easily access and backup your data
- Status LEDs for data and cloning
- USB 3.2 Gen 1 data transfer
- Plug & Play

**The AC1504 Dual Docking Station offers a quick and easy way to connect and access 2.5 and 3.5 inch SATA hard disks without opening the cover of your computer.**

### **Cloning without computer**

The AC1504 is equipped with a cloning feature. With this feature you are able to clone your data from one disk to another without using your computer. Insert a source and target HDD/SSD in the Dual Docking Station and create a clone while pressing only ONE button.

### **USB 3.2 Gen1 support**

The AC1504 has a USB 3.2 Gen1 connection for transferring data. Do you only have a USB 2.0 port? Just connect the AC1504 to your USB 2.0 port.

### **Cables included**

Connect the Dual Docking Station to your computer with the enclosed USB cable. The power is provided by the included power adapter.
