

Power socket cube (PDU) with 3 sockets type F, 3 USB-A ports, 3m

Item No. AC2410

DESCRIPTION

- Cubical Power Socket with 3 power outlets and 3 USB-A ports (max. 2.4A/12W) for charging tablets and smartphones
- Space-saving cubical design: all power outlets and USB ports are easy accessible
- Enable and disable all power outlets and USB ports at once with the ON/OFF switch
- Safe charging: power outlets are equipped with child protection and USB ports have overvoltage and short circuit protection
- Cable length: 3 meters
- Including mounting pad

With the AC2410 Cubical Power Socket you can connect 3 electrical devices and 3 USB devices at the same time. The USB ports have a total capacity of 2.4A and have overvoltage and short circuit protection. The three power outlets are equipped with child protection. You can put the Cubical Power Block on your desk. Use the included mounting pad to ensure that the Power Block stays in place. Enable or disable all power outlets and USB ports at once with the illuminated on/off switch.

3 Power outlets and 3 USB ports

The AC2410 cubical power socket has 3 power outlets for connecting 3 electrical devices. The three USB ports are suitable for charging smartphones and tablets with a maximum load of 2.4A at once.

Enable or disable all power outlets and USB ports with 1 switch

Use the illuminated switch to enable or disable the whole power socket simultaneously. This is a good feature for your electricity bill AND for safety reasons. You prevent the use of standby power. It is safer to disable all electrical devices at once, instead of having all devices enabled all the time.

Space-saving design

The AC2410 has a space-saving cubical design and takes only limited desk space. All power outlets and USB ports are easy accessible. It has an extra-long cable of 3m. The included mounting pad ensures that the power socket stays in place.

Overvoltage, short circuit and child protection

The USB ports are equipped with overvoltage and short circuit protection. All power outlets have child protection.

SPECIFICATIONS

Product category	Power Strip PDU
Connection cable length	3 m
Colour	White
Input connector	CEE 7/7 male
Number of sockets	3
Included	Including mounting pad
Socket type	Type F female
Cable type	H05VV-F3G 1,5
USB output	2.4 A
Switching	Illuminated switch
Max. load	230V AC / 16 A
USB charging ports	2x USB A
Warranty (years)	5
EAN code	8716065489958
