

## Cubical Power Socket 3x including 4 USB-C/A ports, 1.5m

Item No. AC2415

## DESCRIPTION

- Cubical Power Socket with three power outlets (type E), two USB-C ports and two USB-A ports (max. 3.4A/17W) for charging tablets and smartphones; comes with a mounting pad
- Space-saving cubical design: all power outlets and USB ports are easy accessible
- Enable and disable all power outlets and USB ports at once with the ON/OFF switch
- Safe charging: power outlets are equipped with child protection and USB ports have overvoltage and short circuit protection
- Cable length: 1.5 meters

**With the AC2415 Cubical Power Socket you can connect three electrical devices and four USB devices at the same time. The USB ports have a total capacity of 3.4A/17W and have overvoltage and short circuit protection. The three power outlets are equipped with child protection. You can put the Cubical Power Block on your desk. Use the included mounting pad to ensure that the Power Block stays in place. Enable or disable all power outlets and USB ports at once with the illuminated on/off switch.**

### **Three power outlets and four USB ports**

The AC2415 cubical power socket has three power outlets for connecting electrical devices. The four USB ports (2x USB-C and 2x USB-A) are suitable for charging smartphones and tablets with a maximum total load of 3.4A/17W.

**Enable or disable all power outlets and USB ports with one illuminated switch** Use the illuminated switch to enable or disable the whole power socket simultaneously. This is a good feature for your electricity bill AND for safety reasons. You prevent the use of standby power. It is safer to disable all electrical devices at once, instead of having all devices enabled all the time.

### **Space-saving design**

The AC2415 has a space-saving cubical design and takes only limited desk space. All power outlets and USB ports are easy accessible. The included mounting pad ensures that the power socket stays in place.

### **Overvoltage, short circuit and child protection**

The USB ports are equipped with overvoltage and short circuit protection. All power outlets have child protection.

## SPECIFICATIONS

Product category	Power Strip PDU
Connection cable length	1.5 m
Mounting	Desk
Colour	White
Input connector	CEE 7/7 male
Number of sockets	3
Included	Including mounting pad
Socket type	Type F female
Cable type	H05VV-F3G 1,5
USB output	3.4 A
Switching	Illuminated switch
Max. load	230V AC / 16 A
USB charging ports	2x USB A, 2x USB C
Warranty (years)	5
EAN code	8716065489965
