USB-C to Lightning charging/data cable 1 meter, MFI certified

Item No.   AC3014

DESCRIPTION

- Fast charging: charge your iOS device with Power Delivery support up to 3,5x faster, 0-50% in only 30 minutes when using a USB-C charger with PD support
- Connect your Apple Lightning device to your laptop with USB-C for charging, synchronizing and data transfer
- Officially Apple MFI certified
- Cable length: 1 meter

Use the AC3014 USB-C to Lightning cable for charging, synchronizing and data transfer of your Apple Lightning device (iPhone, iPad or iPod). The AC3014 is officially Apple MFI certified and has Power Delivery support.

Fast charging with Power Delivery support
Does your device support Power Delivery? Use a USB-C charger with PD support to charge your device up to 3,5 times faster (0-50% in only 30 minutes).

Apple MFI certified

The AC3014 USB-C to Lightning cable is MFI certified. This means that the cable officially is approved by Apple.

No PD support? No problem! Charge at normal speed

Is Power Delivery not available on your device? No problem! You can charge your device at normal speed.
