

USB-C to Lightning charging/data cable 2 meters, MFI certified

Item No. AC3015

- Fast charging: charge your iOS device with Power Delivery support up to 3.5x faster, 0-50% in only 30 minutes when using a USB-C charger with PD support
- Connect your Apple Lightning device to your notebook with USB-C for charging, synchronizing and data transfer
- Officially Apple MFI certified
- Cable length: 2 meters

Use the AC3015 USB-C to Lightning cable for charging, synchronizing and data transfer of your Apple Lightning device (iPhone, iPad or iPod). The AC3015 is officially Apple MFI certified and has Power Delivery support. The cable length is 2 meters.

Fast charging with Power Delivery support

Does your device support Power Delivery? Use a USB-C charger with PD support to charge your device up to 3.5 times faster (0-50% in only 30 minutes).

Apple MFI certified

The AC3015 USB-C to Lightning cable is MFI certified. This means that the cable officially is approved by Apple.

No PD support? No problem! Charge at normal speed

Is your device not supporting Power Delivery? No problem! You can charge your device at normal speed.

Cable length 2 meters

The USB-C to Lightning cable comes with a length of 2 meters. This provides you some extra freedom of movement when charging your Apple device.
