

## Wireless Mouse 1200 DPI

Item No. AC5115

### DESCRIPTION

Suitable for both left-handed and right-handed users

- Wireless mouse for left-handed and right-handed users
- DPI switch: 800-1000-1200 to select your preferred accuracy and precision

- USB-A nano receiver; storable in mouse
- Intelligent power saving function and on/off switch to save battery energy
- Wireless range: up to 10 meters
- Works on almost any surface

**The ACT Wireless Mouse is ideal for use at home, in the office and while traveling. This plug and play device comes with a USB-A Nano receiver that can be stored inside the mouse. Select the preferred accuracy with the DPI switch: 800-1000-1200. The mouse has an intelligent power-saving function and an on/off switch.**

#### **Suitable for left-handed and right-handed users**

The mouse has a symmetric design and thus can be universally used by both left-handed and right-handed users.

#### **Nano receiver: storable in the mouse**

The mouse comes with a USB-A nano dongle. When you want to take the mouse along with you, the USB receiver can be conveniently stored in the mouse.

#### **DPI switch**

Use the DPI switch to select your preferred accuracy. Choose between 800-1000-1200.

#### **Power saving function and on/off switch**

The mouse goes into a standby mode when it isn't active for a while. Additionally, the mouse has a physical on/off switch, so you can fully disable the mouse.
