**Create an ergonomic and space-saving work environment by using the full metal AC8312 Desk Mount for 2 monitors with gas spring. Place the screens to your ideal height and viewing angle with only one hand by its convenient gas spring system. Ideal for flexible workspaces! The AC8312 Desk Mount is suitable for two screens up to 32 inch and 9kg each and is easy to attach to your desk via a clamp or grommet mount.**

### Ideal for flexible workspaces

When working in an office space with flexible workspaces, you can use the AC8312 Dual Desk Mount with gas spring. The AC8312 is easy adjustable in height and depth without any tools. Tilt, swivel and rotate your screens to create an ideal ergonomic work space and reduce the risk of neck, back and shoulder complaints. Cables are kept out of sight thanks to the cable management system. Additionally, the Desk Mount has integrated USB 3.2 Gen2 , microphone and speaker extension ports.

### With convenient monitor mounting system

Adjust the monitors to your preferences by setting the ideal viewing distance. The desk mount is suitable for two screens up to 32 inch with a maximum weight of 9kg each. The AC8312 is fitted with 75x75 mm and 100x100 mm VESA mount. The easy mounting system makes it possible to attach the monitor to the desk mount all by yourself. All mounting gear for both the clamp and grommet mount is enclosed.
